

Family Surname

This is a comprehensive family tree form template. It features a central trunk and numerous branching lines that lead to rectangular boxes for individual family members. Each box contains four labeled fields: 'Name:', 'Birth:', 'Marriage:', and 'Death:'. The form is designed to be printed and filled out with handwritten information. The background of the form is decorated with a large, light green tree illustration with many leaves. At the bottom center, there is a logo for the Missouri Secretary of State Archives, which includes a stylized 'S' and the text 'Missouri Secretary of State Archives'.
